

Waitakere Indian Association
"Working for you and your family"

P O Box 45-206, Te Atatu Peninsula.

Date: _____

The Director

Dear Sir,

WIA Web Site Launch

WIA was formed in year 2000 by a concerned and dedicated group of Waitakere Residents after receiving requests from members of the Indian community. The majority of the members that originally started the association were from Indo Fijian background. Currently the membership includes Indians with origins from Asia, India, South Africa and New Zealand as well from Fiji. With humble beginnings, WIA now is well recognised and respected as a credible organisation representing the Ethnic Indian Community.

In a fast growing city we are experiencing an influx of new residents/immigrants of Indian origin and to cater for their ethnic needs of culture, language and values, WIA has been instrumental in providing this platform for the Indian community. It is envisaged that through our groups and individual members we are reaching out to at least 5,000 people.

Since formation, WIA has organised and is involved with:

- Running of a Hindi School for the last 5 years to cater for Indian language, cultural, drama and music needs of our community.
- Diwali Festival of Lights - last 5 years
- Children's Charity Concert – last 3 years
- Sports events – last 3 years,

Waitakere Indian Association is launching its web site and wishes to invite YOUR COMPANY to be one of its sponsor. We believe that participating in this event will further enhance the leadership role that is played by your company in the community. More benefits and proposed arrangements are outlined in the attached sheet.

Thanking you in anticipation.

Yours faithfully,

Sunil chandra
President
Waitakere Indian Association
